*Those who drink the  
water that I give will

(John 4:14).*

Dear Readers:

I have written much about my involvement with Brother Jerry and Sister Francis Davidson. I love them and am grateful for their work and direction. This work presses on. This year began with handling all of Amerindian Mission dollars destined for Guyana, and it has ended with directing the entire operation with great involvement from many dedicated individuals.

Since 2015, four months annually are spent in Guyana with additional time reporting in the States. 2018 differs greatly: less Guyana time, extensive updates stateside and four months to actually sleep in my own bed. My family is exceedingly wonderful, we love what we do & do what we love, and Brian Hall is a Godsend!

**Preachers' Seminar:** This year's final trip to Guyana provided several important updates, the most prominent is the Second Annual Preachers' Seminar. Previous ones have been held infrequently in the past. Neither the Amerindian preachers nor their wives have ever experienced anything that was extended just for them as these conferences.

In our brotherhood schools of preaching in the states, student wives attend ladies' classes. Those courses are required, in fact; Philena had eight classes while we were enrolled at ETSPM twenty years ago. Yet in Guyana, our focus began with training men to teach and preach and only recently have graduated two Christian women. It's good to see that additional ladies have signed up for 2019 classes. One Guyana mission's veteran said, "Just because we train men to preach, does not mean that they make good choices regarding who they marry"—a great concern!

This principle underscores the importance of grounding and maturing both men and women in godliness. We maintain our Gospel evangelistic outreach but with continued emphasis on growing Christians in Christ.

*Preachers that you help to support financially. They daily labor on the front line in the trenches. Front row: Joseph Adventura and Andrews; Second row: Derrick John, Clinton Fredrick, Foster Simon, Elvis Bernard, Innocent Marcello, Luke Lucas and Archer Moses; Third row: Sunil Joseph, John Campion, Glen Brown, Ernesto John, Alexis Vincent, Danny Ramdyal Noel Martin and Justino Andrews; Back Row: Thomas George, Sylvan Alcides, and Elroy McGarrell and Richard Adams (left to right).*

*The heart & soul behind our dedicated preachers—their wonderful wives. Front row: Colleen Ramdyal, Indranie John, Rovita Fredrick, Margaret Simon, Virginia Nazarene and Basilita John; Middle row: 2 unknowns, Evelyn Joseph, Laurita Martin, Rachel Campion (baby Mosh), Freda George, Thelma McGarrell, Patricia Brown and Dorothy Marcello; Back row: Perily Bernard, June Junior, Bernadette Alcides, Kateri George.*

As we close our fifth year in foreign missions, God has blessed us through each of you. And we are grateful, “counting our blessings”—as the hymn goes. We began with a bang, scraping every penny. We survived and thrived. We studied, taught and preached to thirsty souls; walked, sweat and bled to tell souls about Jesus; became sick, put out of commission and visited the Lethem ER twice for treatment (I have my own third-world hospital ID card with serial number); have learned, been mentored, and have lead teams both new and seasoned; given and received both offenses and forgiveness & mercy; loved and have been loved; and most importantly, have been humbled by the love of our Father and the wonderful grace of my brothers and sisters in Christ. God has grown our influence.

**Important Monthly Figures for 2019**

Foreign (trips, campaigns, stipends) .....38%  
 Stateside (reports, admin, salaries).....60%  
 Miscellaneous.....2%  
 Monthly Total.....\$30,511

These figures are not much different from our 2018 operational costs. And we will crawl to this year’s end with our savings and reserves of \$20,000 completely exhausted. We have faith that the increase will come; simply, God has done, therefore we know that God will do.

**2nd missionary journey as enjoyable as the first:** “We flew into Georgetown and enjoyed the hospitality of Sunil Joseph and his children. Much profitable time was spent in seminar sessions at the Rupununi Preacher Seminar in Culvert City. This significant event brought together most of the Guyanese preachers, who are a part of our work, and their wives for learning and fellowship. They asked for more!

“I enjoyed the white sands and craftspeople of St. Cuthbert’s Mission. Foster Simon and his wife, Margaret, work with the congregation there and need your financial assistance to minister full-time. They are ready for crusade.

“After the boat ride across the Essequibo River, I got my first taste of iguana on Wakenaam Island. Clinton & Rovita Fredericks and the congregation there need your dollars to start a church building; \$3,000 will stick a shovel in the ground—that’s \$250 monthly for one year! Please keep Living Water 414 in your prayers for 2019. With your support, we can continue the important work in Guyana, South America. To God be the glory!”
