*Those who drink the water
that I give will never be
thirsty again (John 4:14).*

Dear Readers:

A new year brings exciting changes to our work—one that has been anticipated for nearly two years. First, our name change was necessary for two reasons: it was a request of our elders (see page 2), and it clarified our difference from a denominational group with a similar name. (We have never partnered with a denominational church or mission group.)

The name was chosen to reflect 1) the global aspect of our mission work, and 2) our desire to bring Jesus' living water to those who need it most. Jesus said, "The water that I will give him will become in him a spring of water welling up to eternal life" (John 4:14 ESV). Hence, Living Water 414.

We published a new website, www.LivingWater414.org, to accompany our new name. We are eager to promote it as a way to communicate our work immediately. Unlike our previous site, social media will post updates automatically. So check it out often to stay informed. Naturally, because many trips are remote and "unplugged" from the world, some updates may not be sent out until internet may be accessed again.

Speaking of social media, follow us at www.facebook.com/lw414 and www.twitter.com/livingwater414. Post comments and "like" our media there. If you have been to Guyana, share your experience.

A Bible study in Monkey Mountain, Guyana

Bro. Ernesto preaches for a congregation in Bon Fim, Brazil. His home is pictured above.

Several things have remained unchanged. First, our purpose remains the same. The three-fold aim is to evangelize the lost, to teach the saved, and to train students in the word at GCU.

Second, our sponsoring church, the Richmond Church of Christ, remains the same, too. We continue to be co-laborers in God's work in the Richmond, Kentucky and to South America. Our eldership is even more resolved in their commitment to us as missionaries to Guyana. In their words: "Although we requested David establish Living Water 414, LLC for liability sake, we are absolutely committed to him, his family and his work without hesitation. We also consider it a blessing to be his sponsoring congregation. Thank you for your involvement in this mission work together."

Third, we persist in our commitment to assist Jerry O. Davidson and Amerindian Missions in Guyana's interior. There are many good works and mission points all over the globe, but Guyana remains one of

the most fertile and rewarding. Brother Jerry has been doing a great work for years, and we continue to help him. In other words, I am still his Timothy.

Fourth, my appreciation for you as financial contributors, prayer warriors and readers goes on. Without your funds, I could not go; without your petitions to the Lord, I could not stand and speak; and without you staying informed, this road would be extremely lonely. Thank you for what you do.

2016 Preview: Several trips need to be made this year, but I cannot make them without your help:

- 🕊 March – Campaign in Lethem; remain to teach at GCU
- 🕊 April – Ground work on Wakenaam Island (prep for summer campaign)
- 🕊 July – Campaigns in Moruca, Parika and Good Hope
- 🕊 Aug – Wakenaam Island campaign
- 🕊 October – Kroudar Village campaign; remain to teach at GCU
- 🕊 December – Teach at GCU

Each of these trips is very important to the spiritual stability of those areas. I must go in order to make a difference. Will you help fund one of these trips? Please don't sacrifice any of these trips.

Please note my new cell number: (859) 314-8638. My old Michigan number will be deactivated later this spring. Also, note the difference below in writing checks.

🕊 *David & Philena*
